At Lights Up, we pride ourselves in creating a nurturing environment where the children can learn new skills, we cover a variety of dance styles including **Zumba, Street Dance, Jazz** and some favourites from **Strictly Come Dancing!** There is also an opportunity for the children to be creative, in this fun and non-pressured environment. The sessions are designed to build confidence, improve skills such as balance and co-ordination, increase fitness, and enable team work. All whilst having fun and learning to dance!
